

CONVOWTM
concrete redefined

OUR STORY

CONVOW Inc. has emerged as the new face of lightweight concrete lifestyle merchandise. With the advantage of its parent company's high-end expertise in the concrete industry, it brings to you a whole new light-weight and easy to maintain range of products for a comfortable yet sophisticated lifestyle. While concrete was used mostly for buildings structures, there was always a demand of high quality casted concrete, for its aesthetically pleasing and bold look. Being able to understand client requirements providing them the experience they seek has been integral to our growth story. Out to mark standards of comfort, sophistication and durability, we introduce to you our contemporary range of light weight concrete based products with customization options.

CONCRETE FURNITURE

Reincarnating the inherited form of concrete into a feasible and practical décor solution. Convow is crafting lightweight concrete coffee table, chairs, dining table, beds, sofa, Chester and endless lightweight concrete furniture for your perfect décor solution.
